

2023 Mardi Gras Parking Registration Information

The Mardi Gras Parking Ministry preparations have already started. The 2023 parking passes have been printed and e-mail letters have been sent to our parking patrons starting around December 26th. We have already received many replies stating that they want their usual spots. We are sending out square invoices to those who wish to pay online. We will be in the room in the undercroft on Wednesdays and Saturdays from 12 to 6 p.m. beginning on January 18th for those who want to come in person to pay and to pick up their parking passes. If you would like to help meet and greet some of the people that Trinity provides with the service of a family-friendly space to watch the parade, while also helping to protect the church property, we would welcome your assistance. Just let Fred (281-217-2583) or Jeanne (228-313-3792) know when you are available to help.

Saturday, February 4th, at 8 a.m. we will begin putting up the fence around the property. If it rains that morning, our next attempt will be on February 11th. Another task, is to exterminate as many of the fire ants as we can before parade day. If you have time and need to get some steps in for the day, we will happily provide you with a container of dry fire ant poison. You are then free to wander the fields and apply as needed on any warmish day.

We have other opportunities to participate in this Ministry such as parking spot field marking, pre-parade and parade day parking crews, barricade installation and then removal, taking down the fence after the roads have been closed and before the parade reaches us, post parade clean-up, and finally fencing rolled, and rebar fence posts collected and straightened for storage. The final activity is the fence inspection and rolling it for storage on Saturday March 4th.
